

## SCHEDULE XXVIII-A (As per MSR 2016)

\* Minimum essential equipment and instruments required for labour room

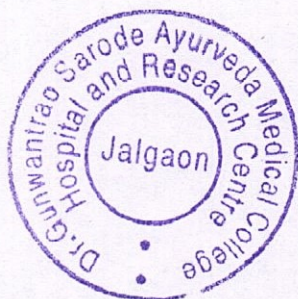

| Sr. No | Equipment and Instruments                                                          | Required Quantity | Available | Deficiency |
|--------|------------------------------------------------------------------------------------|-------------------|-----------|------------|
| 1.     | Shadowless Lamp                                                                    | One               | 1         |            |
| 2.     | Suction Machine (Neonatal)                                                         | One               | 1         |            |
| 3.     | Oxygen Cylinder and Mask                                                           | One               | 1         |            |
| 4.     | Foetal Toco Cardiograph                                                            | One               | 1         |            |
| 5.     | Radiant Warmer                                                                     | One               | 1         |            |
| 6.     | Photo therapy Unit                                                                 | One               | 1         |            |
| 7.     | Weighing Machine (Paediatric)                                                      | One               | 1         |            |
| 8.     | Patient trolley                                                                    | Two               | 2         |            |
| 9.     | Anaesthesia trolley                                                                | One               | 1         |            |
| 10.    | Infantometer                                                                       | One               | 1         |            |
| 11.    | Vacuum extractor                                                                   | One               | 1         |            |
| 12.    | Foetal Doppler                                                                     | One               | 1         |            |
| 13.    | Low cavity forceps                                                                 | Two               | 2         |            |
| 14.    | Steriliser                                                                         | Two               | 2         |            |
| 15.    | Machintosh rubber sheet                                                            | Assorted          | Available |            |
| 16.    | Instruments for labour and Episiotomy.<br>(Scissors, forceps, needle holders etc.) | Assorted          | Available |            |
| 17.    | Baby tray                                                                          | Two               | 2         |            |
| 18.    | Nebuliser                                                                          | One               | 1         |            |
| 19.    | Foetoscope                                                                         | Five              | 5         |            |
| 20.    | Auto Clave                                                                         | One               | 1         |            |
| 21.    | Drums                                                                              | Assorted          | Available |            |
| 22.    | Instrumental Trolley                                                               | Assorted          | Available |            |
| 23.    | OT tables and head Up and head Low facility                                        | One               | 1         |            |
| 24.    | Pulse Oximeter                                                                     | One               | 1         |            |
| 25.    | Resuscitation kit                                                                  | One               | 1         |            |
| 26.    | Boyle's apparatus                                                                  | One               | 1         |            |
| 27.    | Electrocautery                                                                     | One               | 1         |            |
| 28.    | MTP Suction Machine                                                                | One               | 1         |            |
| 29.    | Anaesthesia Kit                                                                    | One               | 1         |            |
| 30.    | Blunt and Sharp Curettes                                                           | Ten               | 10        |            |
| 31.    | Dilators set (Hegar's, Hawkins)                                                    | Five              | 5         |            |
| 32.    | Sims's Speculum                                                                    | Five              | 5         |            |
| 33.    | Cusco's Speculum                                                                   | Five              | 5         |            |
| 34.    | Anterior Vaginal Wall retractor                                                    | Five              | 5         |            |
| 35.    | Uterine sound                                                                      | Five              | 5         |            |
| 36.    | Volsellum                                                                          | Five              | 5         |            |
| 37.    | MTP Suction Currate                                                                | Five              | 5         |            |
| 38.    | Retractors abdominal (Doyne's etc.)                                                | Five              | 5         |            |
| 39.    | Sponge holding forceps                                                             | Five              | 5         |            |
| 40.    | Green armytage forceps                                                             | Five              | 5         |            |
| 41.    | Uterus holding forceps                                                             | Five              | 5         |            |
| 42.    | Kocher's forceps                                                                   | Five              | 5         |            |
| 43.    | Artery forceps (Long, short, Mosquito) Each                                        | Five              | 5         |            |
| 44.    | Scissors- different sizes                                                          | Five              | 5         |            |
| 45.    | Forceps obstetrics                                                                 | Five              | 5         |            |
